Ljubljana city tour

A proper introduction of the city which will represent your home time for at least next four months is much needed. You will hear why the dragon is the symbol of the city and how Lulia Aemona was founded 2000 yeras ago as Roman settlement. Ljubljana surely is a tiny city with rich history and lovable relaxed vibe.

We will meet in the famous Prešeren Square, where you will learn a bit on poet's life (not a dull one, trust us) and proceed the tour to the Congress square where a fascinating story on nowadays University main building will lighten you up. We will cross the significant bridges of Ljubljana and hear where their names derivate from. And to hold the mistery and tension not all sightseeing point will be revealed in this short description.

Tour includes hour and a half of walking tour in english with city hall licenced guide

Meeting point : Prešeren Square, 7PM

PRICE OF THE TOUR: 8 EUR
